Portfolio | Mobile: +92 301 5634939 | Email: abdulrazzaqroman12@gmail.com | Nationality: Pakistani

PROFESSIONAL SUMMARY

Dedicated and compassionate Nursing Health Assistant with **7+ years** of progressive clinical experience across hospital wards, emergency care units, and outpatient settings. Proficient in-patient assessment, vital signs monitoring, wound care, infection control, and providing comprehensive bedside support to nursing and medical teams. Recognized for maintaining composure under pressure, delivering patient-centered care, and consistently upholding the highest standards of safety and professionalism. Holds active SCHS registration and a verified DataFlow clearance, fully eligible for healthcare practice in Saudi Arabia.

SAUDI COMMISSION FOR HEALTH SPECIALTIES (SCFHS) REGISTRATION

SCHFS Profile Number: 25889789
Classification: Nursing Health Assistant
Registration Date: 18 January 2026

PROFESSIONAL EXPERIENCE

Nursing Health Assistant | *Muzaffar Hospital, Taxila, Pakistan* | January 2020 – Present

- Deliver comprehensive patient care across medical wards and high-acuity emergency units, ensuring comfort, dignity, and clinical safety at all times.
- Monitor, document, and report vital signs including blood pressure, temperature, pulse, and respiration rate, escalating abnormalities promptly to the nursing team.
- Prepare patients for medical examinations, diagnostic procedures, and surgical interventions, ensuring accurate pre-procedural documentation.
- Collaborate effectively with multidisciplinary healthcare teams to implement individualized care plans and improve patient outcomes.

Clinical Assistant Internship | *THQ Hospital, Taxila, Pakistan* | July 2019 – December 2019

- Completed a structured 6-month clinical internship as part of the Vocational Training Institute (VTI) program, gaining hands-on experience in a government hospital setting.
- Participated in patient preparation for examinations and minor procedures, adhering to hospital safety and infection control standards.
- Received a Satisfactory performance rating upon successful completion of the internship.

On-Job Training (OJT) | *Vocational Training Institute, Rawalpindi, Pakistan* | January 2020 – February 2020

- Completed a 2-month supervised on-job training placement as the final component of the VTI clinical assistant qualification program.
- Applied theoretical knowledge in a real-world clinical environment, reinforcing competencies in nursing procedures, patient safety, and professional ethics.
- Demonstrated proficiency in laboratory techniques, first aid, dispensing, and public health principles under the guidance of senior clinical staff.

Nursing Health Assistant | *Rizwan Hospital, Battagram, Pakistan* | 2015 – 2017

- Assisted nurses and physicians in delivering daily patient care across medical and emergency wards in a district-level hospital.

- Monitored and accurately documented vital signs including blood pressure, temperature, pulse, and respiration, reporting deviations to the supervising nurse.
- Prepared patients for clinical examinations, treatment sessions, and minor medical procedures, ensuring patient understanding and informed consent.
